Legal Department.

R.I. Misc. 8525 dt. 10/10/50

Submitted.

Please see the Collector of Ahmedabad's letter date. 8-2-50 at p. 3 ante.

It appears that certain villages of Ranpur Mahal, Dhandhuka Taluka and Virumgaum Taluka of the Ahmedabad district (noted in the margin of that letter) have been transferred to Gohilwad District and Zalawad Dist. respectively by the Saurashtra Government. Some of the agriculturists of these villages have been advanced Tagai loans which have not been recovered. The Collector now suggests that since the villages have now been transferred to Saurashtra Govt. that Govt. may be requested to arrange to recover the amount of Tagai advanced to the agriculturists concerned by regular instalments, and to credit the amount so recovered to this State by book-transfer.

In this respect the Saurashtra Govt., in their xx letter dated 20-6-50 at p. 15 ante have expressed the view that the Tagavi dues outstanding from the agriculturists of the villages transferred to Saurashtra are to be recovered by that Government and xx such outstanding amounts in the villages transferred to this Govt. will be recoverable by this State. D.S., P. & S.J. agrees with this view. R.L.A. is requested to advise.
